- CSR and Local Community development is founders values

## SKILL MATRIX

WE HAVE A BLEND OF 60 YOUNG AND EXPERIENCED ENGINEERS ACROSS ALL OUR PROJECTS.

MULTI DISCIPLINARY, INTERCHANGEABLE, READY TO RELOCATE MOTIVATED STAFF.

Construction Industry	Mining Industry	IT Industry
Structural Engineers	Geologists	Web-Designer
Design Engineers	Geo Technicians	App-Development Experts
Highway Engineers	Surveyors	UI/UX Designers
Building Experts	Mining Engineers	Network Experts
Interior Designers	Fore men & Supervisors	
Architects	Mechanical Engineers	
MEP Specialists	Auto Electricians	
Supervisors	Hydraulics and Engine Mechanics	
Transmission line Team	HEMM Operators	
Steel Fixers & Fitters	Chemical Engineers	
All Skilled technicians	Lab Chemists	

## RESOURCE MATRIX

<b>1</b>	<b>Heavy Earth moving equipment like</b>
	Ripper Dozer, Excavators, Rack Breakers,
	Wheel loaders, Dumpers, Drilling machines
	Grader, Compactor, water tankers.
<b>2</b>	<b>Construction Equipment and Machinery</b>
	Piling Rig, Piling Winches, of Different Capacity
	Concrete Batching plants, Self loading Concrete Mixers, Drum Mixers,
	Transit Mixers, Concrete pump, Boom placers,
	Hydra, Cranes, scaffolding material, staging materials
	Shuttering material, Precast templates, Curing tanks
<b>3</b>	<b>Survey, design and Engineering related</b>
	DGPS, Hand held GPS
	Total Station, Auto leveler
	Different Software's like AutoCAD, STAD Pro, Tekla, Primavera P6,
<b>4</b>	<b>General Purpose Equipment, tools and tackles</b>
	Diesel Generators, Lighting towers, Welding transformers, and Generators
	Plate bending and Rolling Machine, Rod Bending and Cutting machines
	Welding and Gas Cutting machines
	Back hoe loaders, Tractors, Water tankers, Pick ups and transport vehicles
	Mobile Housing, Office, and Storage containers
<b>5</b>	<b>Material Resources from our own Manufacturing Facility</b>
	Structural Steel, Plates, Tubes, Pipes, Roof Sheets, TMT etc
	Nails, Wheel Barrow, square bars, etc

### Some of Major of Projects under execution / Completion

	Contract / Work details	Sizes	Contract Value	LOI date
1	Construction of a River Bridge across river Konkure on Republic of Guinea	222.67	\$5,132,619	Jul 2024
2	Construction of RCC road (2628 meter) and Bitumen Road (3420-meter length) in Conakry, Republic of Guinea	6048 meter	\$11,254,743	Sep 2025
3	Construction of Ware house for TOPAZ Multi industries in Conakry Guinea	5,000 sq. meter	\$311,086	Sep 2025
4	Construction of pile foundations for Integral golf Africa, Conakry Guinea	166 piles of 800 mm and 1,000 mm	\$683,953	Jan 2025
5	Geotechnical studies for Roof Foundation at General Lansana Conte Stadium (Conakry) for TACON Group		\$11,400	Jun 2025
6	Construction of Cold Storage for PEE CEE Sarl Guinea (Padi Multi Industries, Sierra Leone)	1620 Sq. meter.	\$109,870	Aug 2025
7	Extension of River Port for Bauxite loading Facility for Ashapura Minex Resources, SA, Boke	100 meters x 11 meters	\$6,689,096	Sep 2025
8	Construction of Foundation for Transmission line in Guinea for Larson & Toubro India	40 locations	\$192,897	Jul 2025
